

SPL1 Project Proposal Form, 2022
Institute of Information Technology (IIT)
University of Dhaka

Student's Name:	Nahida Sultana		
Student's Roll:	1318	Phone:	01777937808
<p><u>Project Description:</u></p> <p>Project's name is "<u>Secure File Transfer System</u>" using confidentiality and authenticity.</p> <p>Secure file transfer system where a user can upload a file to be transferred to another user . Confidentiality will be achieved by encrypting the file using the DES encryption system. We will also implement the Digital Signature algorithm so that users can be authenticated and non-repudiation is also ensured.</p>			
Languages or Tools to be used: C/C++			
<p>Supervisor's Name: Dr. Md. Shariful Islam</p> <p>Signature of the supervisor:</p>  <p>Date: 03.01.2023</p>
